

› What Would You Do?

[Chorus]

What would you do if you
Knew all of the things we know
Would you stand up for truth
Or would you turn away too?
And then what if you saw
All of the things that's wrong
Would you stand tall and strong?
Or would you turn and walk away

[Verse 1]

I see a message from the government, like every day
I watch it, and listen, and call 'em all suckas
They warnin' me about Osama or whatever
Picture me buyin' this scam I said never
You in tune to a Hard Truth Soldier spittin'
I stay committed gives a f**k to die or lose commission
It's all a part of fightin' devil state mind control
And all about the battle for your body mind and soul
And now I'm hopin' you don't close ya mind - so they shape ya
Don't forget they made us slaves, gave us AIDS and raped us
Another Bush season mean another war for profit
All in secret so the public never think to stop it
The Illuminati triple 6 all connected
Stolen votes they control the race and take elections
It's the Skull and Bones Freemason kill committee
See the Dragon gettin' sh**tier in every city

[Chorus]

[Verse 2]

Now ask yourself who's the one with the most to gain (Bush)
'Fore 911 motherf**kas couldn't stand his name (Bush)
Now even n***as waivin' flags like they lost they mind
Everybody got opinions but don't know the time
Cause America's been took - it's plain to see
The oldest trick in the book is make an enemy
Of phony evil so the government can do it's dirt
And take away ya freedom lock and load, beat and search
Ain't nothin' changed but more colored people locked in prison
These pigs still beat us but it seem we forgettin'

But I remember 'fore Septmber how these devils do it
F**k Gulliani, ask Diallo how he doin'
We in the streets holla "jail to the thief" - follow
F**k wavin' flags bring these dragons to they knees
Oil blood money make these killers ride cold
Suspicious suicides people dyin' never told
It's all a part of playin' God so ya think we need 'em
While Bin Ashcroft take away ya rights to freedom
Bear witness to the sickness of these dictators
Hope you understand the time brother cause it's major

[Chorus]

[Verse 3]

So now you askin' why my records always come the same
Keep it real, ain't no fillers, motherf**k a blingin'
Mine eyes seen the gory of the coming of the beast
So every story every word I'm sayin' "F**k Peace"
See you could witness the Illuminati body count
Don't be surprised these is devils that I'm talkin' bout
You think a couple thousand lives mean sh*t to killers?
N***a I swear to God we the ones - ain't no villans
Or any other word they think to demonize a country
Ain't no terror threat unless approval ratings slumpin'
So I'mma say it for the record we the ones that planned it
Ain't no other country took a part or had they hand in
Just a way to keep ya scary so you think you need 'em
Praisin' Bush while that killer take away ya freedom
How many of us got discovered but ignore the symptoms?
N***as talkin' loud but ain't nobody sayin' sh*t
And with the 4th Amendment gone eyes are on the 1st
That's why I'm spittin' cyanide each and every verse
I see the Carlyle group and Harris Bank Accounts
I see 'em plead the 5th each and every session now
And while Reichstag burns see the public buy it
I see the profilin' see the media's compliance
War is good for business see the vicious make a savior
Hope you understand the time brother cause it's major

[Chorus]
